Navigating THE LGS MAZE

There's Still Time to Help Raise LGS Awareness!

International LGS Awareness Day was a huge success! Thanks to you, we have already raised over \$77,000 to help end the suffering and devastation caused by LGS, not to mention the tidal wave of awareness our families have started in their local communities and on social media!

This Community is Amazing! And We're Not Done Yet!

Help us finish #EpilepsyAwarenessMonth strong by raising more #LGSawareness!

Twelve Days of Giving

Share the 12 Days of Giving Stories, Launching Nov. 29th

Thank you for the many ways you give to the LGS Foundation. Because you give, we can give to others.

On Giving Tuesday, we will launch our 12 Days of Giving campaign. We invite you to follow throughout December to celebrate 12 important moments we've impacted together.

The goal is to share: 1) How challenging and lovely moments related to this disease can be, 2) How the LGS Foundation is driving moments of critical research, patient & family support, and awareness; and, 3) How financial gifts to the Foundation create more hopeful and special moments.

Please give, and share these moments with people you know - because **every moment matters**.

Someone I Love Needs a CURE

Lennox-Gastaut Syndrome
#LGSawareness #epilepsyawarenessmonth

Please take a moment to watch this special message from our Executive Director, Tracy Dixon-Salazar, PhD.

Life is not measured by time. It is measured by moments.

Thank you for all the ways you support and empower the LGS Foundation and those impacted by this horrible disease! Because you give, we are changing the world of LGS - TOGETHER.
